HUNTER'S

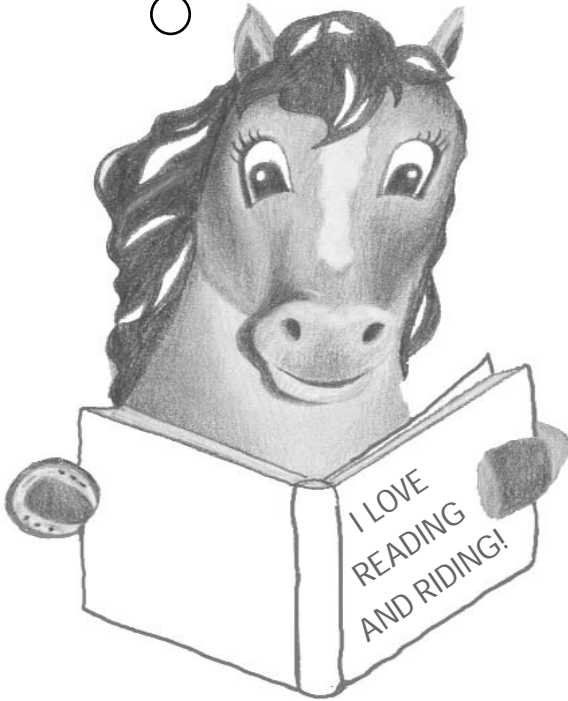

READING ROUND-UP

HEY KIDS!

If you love reading books as much as I do, then join me in my Reading Round-up this summer.

Each time you read a horse-related book, be sure to write it down on your reading record. Once you've recorded 5 books on the form, send it in to WIN HORSE SHOW TICKETS and other COOL PRIZES!

I'm very proud and excited for you to begin my challenge. Nothing is more important for your future than improving your reading skills. Remember if you read, you will succeed!

Who May Participate

Any student from kindergarten through fifth grade may participate in Hunter's Reading Round-up. To complete the contest, students must read and record the names and authors of 5 horse-related books. A teacher, parent or other adult must sign the bottom of your reading record before it is submitted.

Prizes

Students who complete the form will win four Monday-Saturday general admission tickets to the Merrill Lynch Hunter Jumper Classic at the Metroparks Polo Field in Moreland Hills and will be entered into a drawing for other cool prizes!

Due Date

All reading records are due no later than July 1, 2004. Enter as many times as you want. Send completed forms to: Hunter's Reading Round-up - 18955 Fox Road, Hiram, OH 44234
